Dear Recruit :

Thank you for your interest in the Adult Literacy & Essential Skills Program, and the volunteer tutor role. Please review our two pamphlets: one of the pamphlets provides an overview of the program, while the other pamphlet outlines the requirements of the volunteer tutor role. Should you have any questions regarding these pamphlets, please contact me.

Please also review the Volunteer Tutor Application Form. Please complete this form and return to the office. The application process includes completion of the application form, reference check, an interview, and a police check. The training provides volunteers with the foundation that they need to tutor someone how to read and write.

We look forward to the return of the application and the opportunity to meet with you. Please return the completed application to the address noted above. Thank you for your interest in the program.

Yours truly

Wendy
