Volunteer Opportunities

1. Adult Literacy & Essential Skills

Volunteer Tutors

Volunteers provide one-to-one tutoring for adult students who need to improve reading, writing and spelling skills. Benefits of this role are revealed in improved literacy skills of the student, improved ability of students to handle daily literacy tasks (e.g., handling mail, reading community signs), and increased independence, confidence and self-esteem. Volunteers receive the training necessary for the tutoring role.

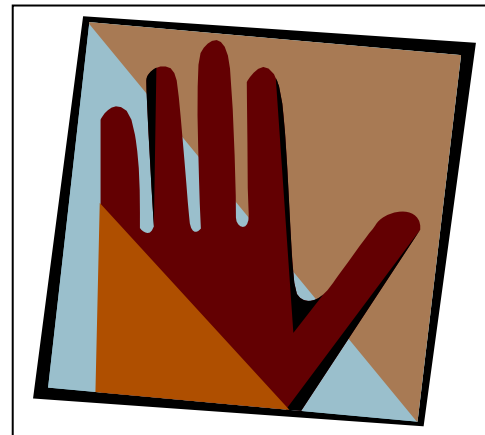

2. Home Support Services

Meals On Wheels Drivers & Helpers

Volunteers pick-up hot noontime meals from a local supplier and deliver them to seniors within the Tillsonburg area. This service also provides clients with a smiling face and a quick safety & security check.

Transportation Drivers

Volunteers drive clients who are unable to drive themselves to various appointments in or out of town while providing a friendly visit on the way. Volunteers are offered compensation for the use of their vehicle.
